

Service Areas

County Selection

Please identify the counties to be included in this Service Area, if you only offer service within specific zip codes, click the County name to view that county's zip codes.

Click the Save button to save a county selection and return to the State Selection screen.

Click the Apply button to save county selection and continue Service Area setup.

Be sure to click either the Save or Apply button prior to adding/removing counties. If you do not click the Save or Apply button before you click on a county link, your selected counties will not be saved.

Select All

Deselect All

Z Service Area does not include all zip codes in this county.
